the Piano is a Good One.

So carefully has the manufacture of planes been studied by our experts that the plane leaves the factory in a condition absolutely perfect from a musical standpoint. In the material and in the workmanship everything must measure to one standard

The Standard of Perfection.

The Cable Line of Pianos (Synonymous to perfect Planes.) Mason & Hamlin,

Kingsbury, Conover, Wellington, Cable, Dekoven. We always make it a special duty to put on sale about the first of October the latest styles at a slightly reduced price. We do this for advertising purposes, and the small reduction thus made makes it an opportune time for YOU to buy a piano. You can save from \$25.00 to \$75.00 on the purchase of a piano by buying now.
